Subject: Draft Neighbourhood Development Plan - Consultation 18th Jan to 28thFeb 2016

We are following up on our contact with you in 2014 when you submitted a proposed development site within Ashtead. At that time, we assessed all of the formally proposed sites and passed our findings on to Mole Valley District Council, who are the planning authority. In view of this, you may be interested in Ashtead's Draft Neighbourhood Development Plan (NDP), which is now available to view on the Ashtead Community Vision website as part of a public consultation that is being held from 18th January – 28 February 2016.

The public consultation is your opportunity to have input to the Ashtead-specific policies in the NDP. Mole Valley District Council will hold a further public consultation on it before the NDP is sent to an independent examiner for review.

Following that, the NDP will go to referendum in Ashtead and, if adopted, the policies will be the first point of reference for planning decisions in Ashtead.

To read the NDP and the policies, click on this link to go to the NDP document - <http://ashteadcommunityvision.org.uk/acv-timeframes/> .

If you have already read the document and wish to submit your comments use this link to go directly to the questionnaire - <https://www.surveymonkey.co.uk/r/233M732>

A paper copy of the NDP is available to read in Ashtead Library as well as copies of the individual, detailed reports on Housing, Economy, Transport, Environment and Infrastructure.

We are holding an Open Morning on 6th February from 10:00 to 12:30 in the APMH when we will be happy to discuss the NDP and answer any questions that you have.

Please take this opportunity to let us have your views.
