## Have your say on Ashtead's future development

By Dorking Advertiser (<http://www.dorkingandleatherheadadvertiser.co.uk/people/DorkingAdvertiser/profile.html>) | Posted: January 27, 2016

### WE WANT YOUR VIEWS: Ashtead Community Vision

Comments (0)

OPINIONS from Ashtead residents are needed for a plan aimed at giving them a greater say over the future development of their village.

Ashtead Community Vision has published its proposals for a Neighbourhood Development Plan (NDP), and now members want villagers to have their say on it.

Residents are being invited to share their views on the document, which consist of 16 policies, for the next 6 weeks as part of a public consultation, following which the NDP will be put forward to Mole Valley District Council.

Among the policies are the importance of protecting the village's network of rights of way and not increasing on-street parking – both of which developers would have to consider if the plan was accepted.

Provided the authority accepts the plan, it will then be reviewed by the Planning Inspectorate before a referendum is held in the village to decide whether or not to adopt the document.

Once adopted the plan would give a strong steer to developers when considering future development in the village.

Ashtead Community vision (ACV) – the working group of the Ashtead Neighbourhood Development Forum – is promoting the draft NDP with newsletters being delivered to every home in the village, as well as posters across the area.

The forum's chairman Tony Tuley said that it was important that as many people as possible gave their feedback before the Draft NDP is submitted to the council.

He said: "It's really important that all residents engage in the development of the plan as it is the greatest opportunity most will have to shape the future development of Ashtead."

Ashtead Community Vision has been running for almost three years and has carried out a range of public consultation in that time to seek villagers' views.

The forum will be holding an open morning at Ashtead Peace Memorial Hall between 10am and 12.30pm to encourage residents to engage in the consultation process by filling in a questionnaire, which seeks their views and comments on each of the 16 policies in the plan.

The questionnaire is also available online at [www.ashteadcommunityvision.org.uk](http://www.ashteadcommunityvision.org.uk)
